Song in the last new Comedy call'd
the Marriage Hater Match'd. Set by
M^r. Tho. Tallet. and sung by M^{rs}. Butler

Whene'er I see the park or the play,
They are without Peggy a darest scene;
She's before my Eyes all the day,
And all the night long too she haunts my dream;
Since since, fancying a house of charms,
I wish I and not I of my Dear delight;
Find she lay's in another's Arms,
That then 'tis she kills me out right.
